(Page 2 of 2)

Compatibility between your parental values and practices and those of your school is an essential component in ensuring a successful school experience. Please answer the following questions:

Have you ever attended/applied to Garden School previously? If so, when and what was your reason for leaving/not attending?

---

---

---

Why are you considering Garden School for your child? Why might Garden be a good fit?

---

---

---

What are your child's strengths?

---

---

---

In what areas does your child need extra support?

---

---

---

What kind of personal/professional skills, resources, and/or support as a parent would you be interested in sharing with the Garden teachers, students, or the community in general?

---

---

---

Please indicate if the applicant has any afterschool commitments (tutoring, special lessons, sports, clubs, other):

---

---

---

How did you become aware of Garden School? If applicable, whom may we thank for referring you to Garden?

---

---

---

Parent/Guardian Signature
