Dear Travel Agents,

We are the Calvin family, and we need your help.

Spring break is coming up, and we would like to take a family vacation. However, we aren't quite sure where to go. The only travel dates available to us are April 4-11. A four day, three night trip is ideal. Our preferred destination would have nice warm weather and must be in the United States. The average temperature in the area should be above 75 degrees. We would like to have activities for adults and for children. Our travel budget is \$3,000. Please contact us with your ideas.

Sincerely,

Doug (Dad), Sherry (Mom), James (9), and Sandy (8) Calvin
