

GARDEN SCHOOL

SUMMER PROGRAM

2020 Garden School Summer Program – Safety Plan –

- Limited camp size set to **10 maximum per camp group**
- Safety devices/Sanitizer stations available to all campers & staff
- In addition to our Nursing Office, there will be triage room for the exclusive use of campers who feel sick during the camp day
- Visitors entering the campus will be on a limited basis
- Campers/Staff will follow social distancing
- Temperature checks will be taken of all campers/staff/visitors entering the building
- Disinfection chain of command has been created to ensure all materials/surfaces are properly cleaned
- Each camp group will have their own dedicated lavatories
- Campers will have a **two-week minimum commitment** to limit exposure to new people
- Cafeteria will not be in service this summer; campers will bring their own lunch
- Campers will bring their own individual reusable water bottle for refreshment
- No-contact sports
