## Family Compliance Pledge

We, the parents/guardians of \_\_\_\_\_, understand that while the details outlined in this Health & Safety Guide may present obstacles and difficulties, they are designed to reduce the risk of COVID-19 spreading in our community.

- We understand the protocols as explained in this manual.
- We pledge to follow the protocols precisely, to never send our child to school ill or with any COVID-19 symptoms whatsoever, and to be good stewards of our health and safety plans described in this guide.
- We understand that families who knowingly break the rules may have their children dismissed from Garden School as these frameworks have been put in place to minimize the risk for everyone in the community and the consequences of not following them could be serious.
- Keeping one's child(ren) home may make attending work difficult or impossible, so we understand that we must make back up plans for child care in the event that our child(ren) must quarantine for some reason. By signing, we confirm that we have a backup child care plan in place.
- We promise that if we cannot identify the tools or resources required to follow the protocols found in this guide, that we will reach out to Garden School for help and support.
