## Garden School Dress Code 2020-2021

### Dress Code

In recent years, we have made changes to our dress code. It is ultimately every student's responsibility to come to school dressed respectfully each day. In an effort to not over prescribe what that means, please use the notes below as a general guide. **The following items are inappropriate for school.**

- Excessively torn clothing, whether intentional or through wear and tear.
- Tank or spaghetti-strapped tops; midriff-exposing or low-cut tops.
- Excessively tight clothing.
- Any item of clothing with inappropriate text or logos (sexually suggestive, alcohol related etc.)
- Students may wear baseball hats, hoodies and headphones to school. But these items must not be worn during class or in between class.
- Students may wear clothing specific to their religious affiliation and in observance of their religious beliefs (ex: head scarves, burkas).
- Note: If what you are wondering or unsure about a particular outfit or item of clothing, it is best to ask a parent/guardian or not wear it that day and instead snap a photo of it and seek guidance from your advisor.
