Grades 7-12 Off-Campus Permission Slip 2021-2022

Please note we look forward to making trips off-campus again in 2021-22. And while we may not travel as much as before the onset of Covid, we do intend to monitor opportunities for off-campus enrichment when safe and possible. To this end, we ask that you read the parameters below and sign-off, allowing your child to participate in trips held through Garden School.

- Please note, all Garden School safety protocols will be enforced for any off-campus or outdoor activities such as field trips, PE classes, outdoor classes, teacher-led excursions etc.
- Please note Garden School faculty, staff and administrators will follow parameters laid out by the Garden School Reopening Manual Fall 2021 when taking students off-campus for any activity.
- Advanced notice of off-campus trips and excursions will be communicated home, allowing families time to make any necessary arrangements to allow for such a trip.

Before we can allow your child to leave campus, we must have your signature on the form below.
