** Garden School celebrates the diversity of religions and traditions represented in its community. This calendar is produced in conjunction with the NYC Guild of Independent Schools to coordinate days off, professional development, and align with schools in our Athletic league, the I.S.A.L. As a result, our calendar does not reflect every holiday observed in our community. If your family observes a holiday not on this calendar, a student is welcome to take an excused absence without a requirement to make up any non-essential work upon their return.*
